
PODCAST | Former Assistant Secretary Daniel Simmons on Affordable Clean Energy

Wednesday, August 11, 2021

Author(s)

Ashley Pennington

In this episode, Daniel Simmons, Principal of Simmons Energy & Environmental Strategy and former Assistant Secretary for Energy Efficiency and Renewable Energy at the U.S. Department of Energy (DOE) from 2019 to 2021, speaks about his experience as a political appointee at DOE; advocating for affordable reliable clean energy; balancing leadership and family; and the importance of AAAS Science & Technology Policy Fellows in supporting critical DOE missions.

Participants

Daniel Simmons, former Assistant Secretary for Energy Efficiency and Renewable Energy
